4. Subordination of Guaranty.

(a) The Guaranteed Obligations shall be subordinated to Senior Debt to the extent set forth in this Section 4.

(b) Upon any payment or distribution of the assets or securities to creditors of Guarantor in a liquidation or dissolution of Guarantor or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to Guarantor or its property, in an assignment for the benefit of creditors or any marshaling of Guarantor's assets and liabilities:

(1) holders of Senior Debt will be entitled to receive payment in full in cash of all obligations due in respect of such Senior Debt (including interest after the commencement of any bankruptcy proceeding at the rate specified in the applicable Senior Debt whether or not a claim for such interest would be allowed in such proceeding) before the Holders will be entitled to receive any payment with respect to the Bonds (except that Holders may receive and retain Permitted Junior Securities), as their interests may appear; and

(2) until all obligations with respect to Senior Debt (as provided in clause (1) above) are paid in full in cash, any distribution to which Holders would be entitled but for this Section 4 will be made to holders of Senior Debt (except that Holders may receive and retain Permitted Junior Securities), as their interests may appear.

(c) Guarantor shall not make any payment or distribution to the Agent or any Holder in respect of the Bonds and shall not acquire from the Agent or any Holder for cash or property (other than Permitted Junior Securities) any Bond or other obligation arising under the Bond Agreement until all principal and other obligations with respect to the Senior Debt have been paid in full if:

(1) a payment default on any Senior Debt occurs and is continuing beyond any applicable grace period in the agreement, indenture or other document governing such Senior Debt; or

(2) any other default occurs and is continuing on any series of Senior Debt that permits holders of that Senior Debt to accelerate its maturity and the Guarantor or the Agent receives a notice of such default (a "Payment Blockage Notice") from the holders of any Senior Debt or any trustee, agent or other representative thereof. If the Guarantor or the Agent receives any such Payment Blockage Notice, no subsequent Payment Blockage Notice will be effective for purposes of this Section 4(c) unless and until at least 360 days have elapsed since the effectiveness of the immediately prior Payment Blockage Notice. No nonpayment default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Guarantor or the Agent may be, or may be made, the basis for a subsequent Payment Blockage Notice unless such default has been waived for a period of not less than 90 days.

(d) Guarantor may and will resume payments on and distributions in respect of the Bonds and may acquire them (so long as this Section 4 otherwise permits the payment, distribution or acquisition at the time of such payment or acquisition) upon the earlier of:

(1) in the case of a payment default on any Senior Debt, upon the date upon which such default is cured or waived, or

(2) in the case of a nonpayment default on any Senior Debt, upon the earlier of the date on which such nonpayment default is cured or waived or 179 days after the date on which the applicable Payment Blockage Notice is received, unless the maturity of such Senior Debt has been accelerated.

(e) By its acceptance of this Guaranty or the acceptance of a Bond following the effectiveness of this Guaranty or acceptance of any payment thereunder, Agent and each Holder agrees that in the event it receives any payment of any obligations with respect to the Bonds (other than Permitted Junior Securities) at a time when the Agent or such Holder, as applicable, has actual knowledge that such payment is prohibited by Section 4(c) hereof, such payment will be held by the Agent or such Holder, in trust for the benefit of, and will be paid forthwith over and delivered, upon written request, to, the holders of Senior Debt as their interests may appear or their Senior Debt Representative under the agreement, indenture or other document (if any) pursuant to which Senior Debt may have been issued, as their respective interests may appear, for application to the payment of all obligations with respect to Senior Debt remaining unpaid to the extent necessary to pay such obligations in full in accordance with their terms, after giving effect to any concurrent payment or distribution to or for the holders of Senior Debt.

(f) Nothing set forth in this Section 4, and no implied covenants or obligations with respect to the holders of Senior Debt will be read into the Bond Agreement against the Agent. The Agent will not be deemed to owe any fiduciary duty to the holders of Senior Debt, and will not be liable to any such holders of Senior Debt if the Agent pays over or distributes to or on behalf of the Holders or the Issuer or any other Person money or assets to which any holders of Senior Debt are then entitled by virtue of this Section 4 shall impose upon Agent any obligations other than those expressly provided for herein, except if such payment is made as a result of the willful misconduct or gross negligence of the Agent.

(g) The Guarantor will promptly notify the Agent of any facts known to the Issuer that would cause a payment of any obligations with respect to the Bonds to violate this Section 4, but failure to give such notice will not affect the subordination of the Bonds to the Senior Debt as provided in this Section 4.

(h) After all Senior Debt is paid in full and until the Bonds are paid in full, Holders will be subrogated (equally and ratably with all other indebtedness *pari passu* with the Bonds) to the rights of holders of Senior Debt to receive distributions applicable to Senior Debt to the extent that distributions otherwise payable to the Holders have been applied to the payment of Senior Debt. A payment or distribution made under this Section 4 to holders of Senior Debt that otherwise would have been made to Holders is not, as between the Issuer and Holders, a payment by the Issuer on the Bonds.

(i) This Section 4 defines the relative rights of Holders and holders of Senior Debt. Nothing in the Bond Agreement will:

(1) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of, premium and interest on, the Bonds in accordance with their terms;

(2) affect the relative rights of Holders and creditors of the Issuer other than their rights in relation to holders of Senior Debt; or

(3) prevent the Agent or any Holder from exercising its available remedies upon a default or Event of Default, subject to the rights of holders and owners of Senior Debt to receive distributions and payments otherwise payable to Holders. If the Issuer fails because of this Section 4 to pay principal of, premium or interest on, a Bond on the due date, the failure is still a default or Event of Default.

(j) No right of any holder of Senior Debt to enforce the subordination of the obligations evidenced by the Bonds may be impaired by any act or failure to act by the Issuer or any Holder or by the failure of the Issuer or any Holder to comply with the Bond Agreement.

(k) Whenever a distribution is to be made or a notice given to holders of Senior Debt, the distribution may be made and the notice given to their Senior Debt Representative. Upon any payment or distribution of assets of the Issuer referred to in this Section 4, the Agent and the Holders will be entitled to rely upon any order or decree made by any court of competent jurisdiction or upon any certificate of such Senior Debt Representative or of the liquidating trustee or agent or other Person making any distribution to the Agent or to the Holders for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Debt and other indebtedness of Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Section 4.

(l) Notwithstanding the provisions of this Section 4 or any other provision of the Bond Agreement, the Agent will not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Agent, and the Agent may continue to make payments on the Bonds, unless the Agent has received at least three Business Days prior to the date of such payment written notice of facts that would cause the payment of any obligations with respect to the Bonds to violate this Section 4. Only the Issuer or a Senior Debt Representative may give the notice. Nothing in this Section 4 will impair the claims of, or payments to, the Agent under or pursuant to the Bond Agreement. The Agent in its individual or any other capacity may hold Senior Debt with the same rights it would have if it were not Agent.

(m) By its acceptance of this Guaranty or the acceptance of a Bond following the effectiveness of this Guaranty, each Holder shall be deemed to authorize and direct the Agent and the Representatives on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Section 4, and appoints the Agent to act as such Holder's attorney-in-fact for any and all such purposes. If the Representatives do not file a proper proof of claim or proof of debt or other documentation to defend the common interests of the Holders as required by the Bond Agreement, at least 30 days before the expiration of the time to file such claim, the Senior Debt Representative is hereby authorized to file an appropriate claim for and on behalf of the Holders.

(n) The provisions of this Section 4 may not be amended or modified without the prior written consent of the holders of a majority of all Senior Debt other than clarifying changes or changes that do not have an adverse impact upon holders of Senior Debt.

5. Effectiveness of Guaranty. The obligations of Guarantor under this Guaranty shall become effective upon execution by the Guarantor hereof.

6. Ranking. This Guaranty constitutes unconditional, unsecured and subordinated indebtedness of the Guarantor and will rank *pari passu* without preference among themselves and (with the exception of indebtedness preferred by law) equally and ratably with all other unsecured and subordinated present or future indebtedness of the Guarantor for money borrowed or any guarantee thereof which is not Senior Debt.

7. Release. Guarantor may be released from this Guaranty upon the sale, transfer or other disposition, of all or substantially all of the Capital Stock of Guarantor or of all or substantially all of the assets of Guarantor to one or more persons or entities who are not either the Issuer or a Subsidiary of the Issuer, whether by sale, merger, recapitalization, dividend or distribution or similar transaction, which release shall be effective (a) only upon written notice by the Issuer to the Agent and the Representatives accompanied by an Officer's Certificate certifying as to compliance with this Section 7, and (b) without any further action on the part of the Agent, the Representatives or any Holder. Upon any such release in compliance with the above requirements, the Agent shall deliver an appropriate instrument evidencing such release. Any actions taken pursuant to this Section 7 shall not release Issuer as a primary obligor under the Bond Agreement or the Bonds.

8. Termination. This Guaranty shall remain in full force and effect until all of the Guaranteed Obligations (other than contingent indemnification obligations to the extent no claim giving rise thereto shall have been asserted) shall be paid in full and the Bond Agreement shall have been terminated.

9. Miscellaneous.

(a) This Guaranty shall inure to the benefit of the Holders, and their respective successors and assigns, to the extent such assignments are permitted under the Bond Agreement.

(b) Captions of the sections of this Guaranty are solely for the convenience of the Holders and Guarantor, and are not an aid in the interpretation of this Guaranty and do not constitute part of the agreement of the parties set forth herein.

(c) If any provision of this Guaranty is unenforceable in whole or in part for any reason (other than by reason of the failure of one or more conditions precedent set forth in Section 5 not being satisfied), the remaining provisions shall continue to be effective.

(d) Guarantor and Agent (upon Agent's giving of written notice regarding any demand hereunder pursuant to Section 2) hereby irrevocably submits to the non-exclusive jurisdiction of any United States federal or New York state court sitting in New York in any action or proceeding arising out of or relating to this Guaranty and Guarantor hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in any such court and irrevocably waives any objection it may now or hereafter have as to the venue of any such suit, action or proceeding brought in such a court or that such court is an inconvenient forum. Any judicial proceeding by Guarantor against any Holder or any affiliate thereof involving, directly or indirectly, any matter in any way arising out of, related to, or connected with this Guaranty shall be brought only in a court in New York, New York.

(e) This Guaranty and the transactions evidenced hereby shall be construed under the internal laws (as opposed to conflict of laws provisions) and decisions of the state of New York.

(f) Notices. All notices, approvals, requests, demands and other communications hereunder shall be in writing and delivered by hand or by nationally recognized overnight courier, or sent by first class mail or sent by telecopy (with such telecopy to be confirmed promptly in writing sent by first class mail), sent:
